SUMMARY

Final-year Electrical Engineering student at COEP Technological University with a strong interest in software development, AI tooling, and applied programming. Hands-on with Python, C++, SQL, and full-stack web basics, plus practical project experience building developer tools and AI-assisted applications. Sincere, detail-oriented, and continuously learning new technologies.

EDUCATION

B.Tech, Electrical Engineering — COEP Technological University

Expected Jun 2026

Pune, Maharashtra

- CGPA: 6.5 / 10

SKILLS

Languages: Python (with DSA), C++, SQL, HTML5, CSS, JavaScript, Linux/Shell

Tools: Git & GitHub, Visual Studio Code, Power BI, Excel

Cloud: AWS (basics)

Spoken Languages: Marathi, Hindi, English

PROJECTS

Research Paper AI Assistant

Nov 2025 – Feb 2026

Python, SQL | Link: AI-Assistant

- Built a tool that lets users query research papers and get answers extracted directly from the source documents.
- Designed a SQL-backed storage layer to keep documents and generated responses organized and easily retrievable.
- Focused on clean data flow between the parsing, retrieval, and response layers.

Inline Terminal — AI-Enhanced CLI Tool

May 2025 – Aug 2025

Python | Link: CLI-Tool

- Built a command-line tool that converts natural-language input into executable terminal commands.
- Added safety checks and cross-platform compatibility to make the tool usable on multiple operating systems.

Solar-Based Bidirectional DC–DC Converter with MPPT Control

Nov 2024 – May 2025

MATLAB, C

- Implemented the Perturb & Observe (P&O) MPPT algorithm in code to track the maximum power point under varying input conditions.
- Designed control logic and a state machine to switch the system between charging and discharging modes based on real-time conditions.
- Tuned algorithm parameters (step size, sampling rate) in simulation to improve convergence speed and reduce steady-state oscillation.

EXPERIENCE

Purchase Coordinator — MindSpark '23

Jun 2023 – Sep 2023

- Coordinated with vendors, negotiated prices, and ensured timely procurement of materials for the college's flagship technical festival.

ACHIEVEMENTS

- JEE Main: 97.23 percentile
- MH - CAP Rank 986

EXTRA-CURRICULAR & INTERESTS

Traveling, Playing Chess, Volleyball, Cooking, Reading.
